ESTES FORWARDING WORLDWIDE ACCESSORIAL GUIDE

1. An oversize surcharge of 50% of the applicable tariff may apply for any freight that due to size, weight, pick-up time or service restrictions cannot move on a commercial carrier and must move on a cargo carrier. Oversized freight is defined as any air shipment with dimensions greater than 48 inches in length or 48 inches in width or 34 inches in height, girth greater than 90 inches and/or a single shipping unit weighing over 250 pounds that cannot be broken down. Oversize freight will be subject to a dimensional factor of 166. Any international shipments will be subject to a dimensional factor of 139.

3. All rates are, unless otherwise specified, door-to-door in areas A through C of the Air Cargo Incorporated (ACI) Guide.
    - Service to areas beyond area C may be charged an additional pickup and/or delivery charge of $2.35 per mile subject to a $50.00 minimum. Service to these areas may require an additional day of transit.
4. Normal Pickup and delivery service parameters are Monday through Friday between 08:00 to 17:00. Special pickup/delivery service is defined as an expedited pickup and/or delivery performed outside the time that normal pickup/delivery would be made in the course of the regularly scheduled route in order to meet service requirements. Pickup/delivery performed Monday through Friday between the hours of 17:01 and 07:59 or Saturday, Sunday and national holidays will also incur special charges.
5. Fuel surcharges will apply current at the time of shipment. The fuel surcharge is based on current market conditions and Department of Energy's (DOE) Energy Information Administration Index for the average cost of fuel.
6. Shipments with a total weight or dimensions exceeding 10,000 pounds, 10 linear feet of a trailer, or 750 cubic feet will be handled on a spot quote basis. Please call your regional Estes Forwarding Worldwide office for assistance quoting.
7. This list of accessorial charges is not intended to be all inclusive of the service that Estes Forwarding Worldwide offers, nor of the charges for said services. Please call you regional Estes Forwarding Worldwide office or Estes Forwarding Worldwide Corporate office toll free at (877)-391-3399 if you have any questions about our rates and/or services.
